Notes to the Schedule of Expenditures of Federal Awards.....	7-8
Independent Auditor’s Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With <i>Government Auditing Standards</i>	9-10
Independent Auditor’s Report on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by the <i>Uniform Guidance</i>	11-13
Schedule of Findings and Questioned Costs	14
Summary Schedule of Prior Audit Findings	15

College of Charleston
Charleston, South Carolina
Schedule of Expenditures of Federal Awards
For the year ended June 30, 2016

Federal grantor/pass-through grantor/program title	Federal CFDA Number	Grantor/Pass-through Grantor's Number	Total Expenditures
RESEARCH AND DEVELOPMENT CLUSTER:			
US DEPARTMENT OF AGRICULTURE			
JFA (USGS): Monitoring Stream Flow in the Turkey Creek Watershed, Francis Marion National Forest, South Carolina	10.RD	15-CA-11330140-035	\$ 15,138
Experimental Forest and Range Network Information System Development	10.RD	AG-4660-C-09-0009	(8)
Passed Through from East Cooper Land Trust: East Cooper Green Infrastructure Plan	10.RD	2015U04	<u>15,000</u>
TOTAL US DEPARTMENT OF AGRICULTURE			<u>30,130</u>
US DEPARTMENT OF COMMERCE			
Management of NMFS Charleston Laboratory Library 2013-2018	11.RD	MOA-2013-058/8748	107,783
Summer Undergraduate Research Fellowship Program - Gaithersburg	11.RD	70NANB15H088	5,700
Computational Genomics Support	11.RD	UNKNOWN	2,372
Computational Genomics Support, 2015-2020	11.RD	UNKNOWN	1,161
NIST - Student Worker Support	11.RD	UNKNOWN	(566)
Passed Through from South Carolina Sea Grant Consortium:			
Blueways-Greenways: Developing Examples as Models for Other Communities	11.RD	NA10OAR4170073 / A/E-SG-1	5,956
Coastal Climate Support: Extending Climate Adaptation Lessons to Other Communities	11.RD	NA10OAR4170073 / A/E-SGE	21,792
Developing Water Runoff Metrics for Reference Watersheds: Francis Marion National Forest	11.RD	NA10OAR4170073-P/M-2UU	6,819
Genomic Signals of Local Adaptation in the Salt Marsh Plant <i>Spartina Alterniflora</i>	11.RD	NA10OAR4170088	3,675
Building Community Resilience to Water-Related Hazards in the Charleston, SC Region: A Charleston Resilience Network Initiative	11.RD	NA16NOS4730012 R/CRN-1B	4,193
Passed Through from South Carolina Department of Natural Resources: DNR Graduate Student Support 2015-2016	11.RD	N251 4000032968	6,281
DNR Graduate Student Support 2015-2016	11.RD	NA11NMF4540174 4000033862	6,629
DNR Graduate Student Support 2015-2016	11.RD	NA11NMF4540174 4000033339	14,432
Passed Through from University Corporation for Atmospheric Research: Developing a Forecast Tool Based on a Climatology of Coastal Flooding Along the South Carolina and Georgia Coast	11.RD	NA11NWS4670004 Z16-23457	<u>739</u>
TOTAL US DEPARTMENT OF COMMERCE			<u>186,966</u>
US DEPARTMENT OF DEFENSE			
Passed Through from South Carolina Department of Natural Resources: DNR Graduate Student Support 2015-2016	12.RD	W912HP-12-2-10003-3 4000032883	<u>12,928</u>
TOTAL US DEPARTMENT OF DEFENSE			<u>12,928</u>
US DEPARTMENT OF THE INTERIOR			
Charleston, SC Area Earthquake Hazard Mapping Project (CAEHMP) Workshop and Pilot Study: Collaborative Research with College of Charleston and University of Memphis	15.RD	G14AP00023	(3,017)
Search for Commodore Joshua Barney's War of 1812 Flotilla	15.RD	GA-2287-13-005	10,269
Shortnose Sturgeon Data Analysis	15.RD	PO401818M619	12
Development of a Community Velocity Model for the Charleston, South Carolina Region	15.RD	G16AP00025	20,520
Ethnographic Overview and Assessment of the Southern Preserve Unit of Gates of the Arctic National Park and Preserve	15.RD	P15AC00945 P15AC00443	53,758
Passed Through from South Carolina Sea Grant Consortium: Landscape Evolution and Geoarchaeology of the OCS: Prehistoric Maritime Cultural Resources in South Carolina	15.RD	M15AC00001 / R/BOEM-1D	2,850
Passed Through from Clemson University: Effects of Pharmaceutical Photodegradation Products in Freshwater on Local Amphibians	15.RD	G11AP20105 / 1673-213-2098383	7,003

College of Charleston

Charleston, South Carolina

Notes to the Schedule of Expenditures of Federal Awards For the year ended June 30, 2016

Note 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal grant activity of the College of Charleston (the College) and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

Note 2. Summary of Significant Accounting Policies for Federal Awards

Expenditures for student financial aid programs include the federal share of student's Federal Supplemental Educational Opportunity Grant Program grants and Federal Work Study Program earnings, certain other federal financial aid for students and administrative cost allowances, where applicable.

Expenditures for federal research and development programs are determined using the cost accounting principles and procedures set forth in either OMB Circular A-21, *Cost Principles for Educational Institutions* or in Uniform Guidance, as applicable, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Negative amounts shown on the schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

Expenditures for nonfinancial aid awards include indirect costs, related primarily to facilities operation and maintenance and general, divisional and departmental administrative services, which are allocated to direct cost objectives (including federal awards) based on negotiated formulas commonly referred to as facilities and administrative cost rates. Facilities and administrative costs allocated to such awards for the year ended June 30, 2016, were based on predetermined fixed rates negotiated with the College's cognizant federal agency.

Note 3. Federal Perkins Loan Program (CFDA Number 84.038)

The Federal Perkins Loan Program is administered directly by the College and balances and transactions relating to the program are included in the College's financial statements. Federal expenditures reported on the face of the schedule include loans outstanding at the beginning of the year, loans made during the year, loan cancellations, interest subsidies and administrative expenses. The balance of loans outstanding under the Federal Perkins Loan Program was \$2,495,169 as of June 30, 2016.

Note 4. Matching

Under the Federal Work Study program, the College matched \$53,910 in total compensation for the year ended June 30, 2016 in addition to the federal share of expenditures in the accompanying Schedule of Expenditures of Federal Awards.

Under the Federal Supplemental Education Opportunity Grant Program, the College matched \$99,730 in funds awarded to students for the year ended June 30, 2016 in addition to the federal share of expenditures in the accompanying Schedule of Expenditures of Federal Awards.

College of Charleston**Charleston, South Carolina***Notes to the Schedule of Expenditures of Federal Awards**For the year ended June 30, 2016*

Note 5. Contingencies

The College receives funds under various federal grant programs and such awards are to be expended in accordance with the provisions of the various grants. Compliance with the grants is subject to audit by various government agencies which may impose sanctions in the event of non-compliance. Management believes that they have complied with all aspects of the various grant provisions and the results of adjustments, if any, relating to such audits would not have any material financial impact.

Note 6. Subrecipients

Of the federal expenditures presented in the Schedule of Expenditures of Federal Awards, the College provided federal awards to subrecipients as follows:

<u>Federal Granting Agency</u>	<u>Federal CFDA Number</u>	<u>Amount Provided to Subrecipients</u>
US Department of Agriculture	10.XXX	\$ 12,010
National Aeronautics and Space Administration	43.XXX	715,798
National Science Foundation	47.XXX	172,749
US Department of Education	84.XXX	<u>113,762</u>
		<u>\$ 1,014,319</u>

**Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements
Performed in Accordance With *Government Auditing Standards***

Members of the Board of Trustees
College of Charleston
Charleston, South Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities and the aggregate discretely presented component units of the College of Charleston (the College), a component unit of the State of South Carolina, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the College's basic financial statements, and have issued our report thereon dated October 19, 2016. Our report includes a reference to other auditors who audited the financial statements of College of Charleston Cougar Club (the Cougar Club) and the College of Charleston Foundation (the Foundation), as described in our report on the College's financial statements. The financial statements of the Cougar Club and the Foundation were not audited in accordance with *Government Auditing Standards* and accordingly this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with the Cougar Club or the Foundation.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the College's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we do not express an opinion on the effectiveness of the College's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the College's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for
Each Major Federal Program; Report on Internal Control Over
Compliance; and Report on the Schedule of Expenditures of
Federal Awards Required by the *Uniform Guidance***

Members of the Board of Trustees
College of Charleston
Charleston, South Carolina

Report on Compliance for Each Major Federal Program

We have audited the College of Charleston's (the College's) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the College's major federal programs for the year ended June 30, 2016. The College's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the College's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the College's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the College's compliance.

Opinion on Each Major Federal Program

In our opinion, the College complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of the College is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the College's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the College's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the business-type activities and the aggregate discretely presented component units of the College, a component unit of the State of South Carolina, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the College's basic financial statements. We issued our report thereon dated October 19, 2016, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance, Continued

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the basic financial statements as a whole.
